## Kudos for SingerSiddur

I cannot begin to express my gratitude for the tremendous work you put in helping us create this Bar/Bat Mitzvah prayerbook. Your creativity, your sensitivity, your understanding of absolutely all the issues involved, your computer expertise, your Judaic background and deep knowledge, your sensitivity with Hebrew, I could go on and on enumerating the qualities which you brought to this project, all of which enhance the project immeasurably.

The siddurim are wonderful. I'm simply delighted with how they turned out. I keep revisting the box to fondle and "qvell" (a new Judaic ritual). You did a terrific job. They are elegant and memorable.... It was a journey and I truly appreciate your patience and high standards.

My printer made me a copy of the Siddur and when I left his shop, I cried for joy! It is beautiful and it was certainly a creative effort of love.

We received so many compliments from our guests about those prayerbooks! Quite a few of my friends wish they were doing their children's bar/bat mitzvahs the way we did our son's. It was so much more personalized and tailored to our son and family. Thank you so much for helping to make the day special.

The siddurim are beautiful! Thank you so much for all you've done to make our simcha a success! Your presence will definitely be felt.

You took the material that we sent you and fashioned it not only into a prayerbook that will be a keepsake for generations to come, but into a work of art... Everyone in the congregation commented on what a beautiful siddur it was. It is due in large part to your dedication, professionalism and creativity. Thank you most sincerely for all of your efforts.
